Forta baralla i acusacions d'infidelitat entre les estrelles de Tik Tok

Les estrelles de Tik Tok **s'han convertit en les protagonistes d'una de les polèmiques més seguides a Twitter.**

Tot va començar fa uns dies quan **Charli d'Amelio va acusar el seu ex Chase Hudson d'haver-li estat infidel amb la també tik toker Nessa Barrett.**

Això va provocar que alguns dels **tik tokers més famosos a nivell mundial deixessin de seguir Chade Hudson i l'acusessin de ser un fals**. Ell, però, lluny d'intentar calmar la polèmica, va encendre-la més publicant un tuit on acusava els tik tokers Anthony Reeves, Griffin Johnson, Jaden Hossler, Josh Richards i Kio Cyrr d'haver estat infidels a les seves parelles.

Since all my drama has to be put on the internet for the world to judge me, let's lay out everyone else's.

Anthony got with Cynthia a week after we broke up on tour.

Jaden actively tried to hook up with Dixie at our house on the 4th of July in front of me while she was dating Griffin.

Griffin cheated on Dixie with Tayler's ex Kaylyn and Bryce's ex Elle.

Jaden and Josh cheated endless amounts of times on Mads & Nessa for the past few months.

Kio cheated on Olivia.

The only person who has a right to be upset with me is Charli and I'm sorry I hurt her. We broke up and I messed up by kissing Nessa. I am not sorry to Josh, we are not boys and we haven't been boys since he lied to Charli saying I had an STD 6 months ago trying to get her to stop seeing me. I'm not going to let these hypocrites try and ruin my life without their lives being out on the internet too.

El tuit publicat i eliminat per Chade Hudson

Tot i que Chase Hudson va acabar **eliminant el missatge i demanant perdó a Charli d'Amelio, les crítiques i els retrets van continuar.**

Aquí podeu veure **alguns dels tuits que es van publicar i que van circular com la pólvora per les xarxes socials.**

stop deflecting you're actions onto others because you can't take responsibility chase. want me to talk about how you treated me throughout our relationship or do you just want to continue to play the victim? <https://t.co/KvLB5oL3Xy>

during our relationship all i wanted was for chase to own up to his OWN mistakes and issues. this is so private and unnessary. instead of throwing everyone else under the bus own up to you're own shit,somehow you've dated 2 minors that are STILL more mature than you've ever been <https://t.co/FaNrV3tujt>

if anyone had a hard time tonight bc of what happened
i genuinely hope u are better soon
this should show everyone that social media can be very deceptive & also a lot of people are TOO involved
i DONT want this on tiktokroom bc it's not for that
i want u all to know i love u

You were happy as you could possibly be when we broke up. Partying. While I cried in my bed for days. Didn't eat for five days. Didn't leave my room for days. Wondering why I wasn't good enough. And it's because you believed I cheated on you. The worst part? ttr told me, not you.
